The workshop is ours, the brand is ours, and so is the utmost responsibility of Bittel

Bittel Intelligent Technology CO., Ltd. is the world leading professional manufacturer for telephone and other terminal products for the hospitality industry. It was founded in 1989, and has integrated the development, producing, sales and service together. After 27 years of experience in developing, manufacturing and sales, Bittel has awarded ISO9001, ISO14001, FCC, CE, CCC, RoHS certificates, has more than 500 employees, and covers 7000 square meters workshop. Equipped with Wave Welder Machine, Solder Reflow Machine, Auto-Board-Threading Machine, SMT Machine, Ultrasonic Cleaning Machine, and other more than 150 advanced machines, Bittel has the ability of manufacturing 5 million telephone sets per year. Bittel has now become the world supplier for Bittel brand hotel phones and VoIP phones.

As the non-OEM brand, Bittel owns the strong R&D teams in Rizhao, China and California, USA, developing the core technology and making the leading industrial design. Also Bittel has set up the sales offices in San Jose, Singapore, London, Dubai, Beijing and Shanghai to serve the customers globally.
